

Archiving and Restoration Services

Archiving and Restoration:

Have your personal photographs copied and placed on a CD so that they are preserved forever! Feel reassured that your memories are permanently archived and always available to make copies when needed. Utilize this digital format to email your photos to family and friends and have fun with various digital means.

We Provide Print Restoration Services for you to repair and restore timeless family heirloom photographs. Additional art charges may apply when the original image needs more than basic artwork or restoration, consultation required. Prints may be ordered off of your new original at regular portrait prices.

\$15 per image To Copy and Place 1-10 images on a CD
\$8 for each additional image
\$30 per image for any basic artwork or restoration needed
